Printed Materials

The following *Next NC Scholarship* **one-pager** and **table tent** have been developed to provide another way to amplify the *Next NC Scholarship* in your communities. Print these materials to share at events and with those in your network. These materials are not designed for sharing on social media and should not be used in that medium.

Note: Please do not edit or alter the images in any way, besides adding your logo where indicated.

Printed Materials: One-Pager

- This one-pager is sized to be printed on 8.5x11" paper. There is an English and Spanish version of the one-pager in the toolkit.
- Both versions include a place for you to insert your school or organization's logo before printing. **After downloading, delete the "Replace shape with logo" box and insert the logo. Then, the one-pager will be ready to print.**
- **Note:** Upon opening the Word document, the one-pager may look somewhat transparent. That is not an error, and the document will not appear that way once printed.

The *Next NC Scholarship* is a financial aid program that helps most North Carolinians from households making \$80,000 or less pursue a higher education, by fully covering tuition and fees at any community college or more than half, if not all, of tuition and fees to attend any public university in the state. The best part? It's money that doesn't have to be repaid.

It combines the federal Pell Grant with the state-funded financial aid program to form a simplified and predictable scholarship award that is easier to understand and makes education more affordable so a greater number of North Carolinians can pursue a degree.

It's enough money to earn a tuition-free degree.

Qualifying students attending community college will receive at least \$3,000 per year. That means having their tuition and fees 100% covered at any of the 58 North Carolina community colleges. Those attending a public university in the state will get a minimum of \$5,000 per year, which pays for more than half, if not all, of tuition and fees at any of the 16 public universities in the state. The scholarship award can also go toward books, food, and housing.

Applying is simple.

Just submit the FAFSA form. If you're eligible, you'll receive the *Next NC Scholarship*. There are no additional forms to fill out. The *Next NC Scholarship* priority filing date* is **June 1 for UNC System universities and August 15 for NC community colleges.**

* Each institution may have its own earlier filing date, so be sure to check the dates for the colleges and universities that you're interested in.

To receive the *Next NC Scholarship*, you must be:

- 1 A North Carolina resident who is eligible for in-state tuition
- 2 A high school graduate (high school equivalency completers are eligible)
- 3 From a household with an annual Adjusted Gross Income (AGI) of \$80,000 or less
- 4 Enrolled in an eligible undergraduate curriculum program
- 5 Taking at least 6 credit hours per semester (part-time students will receive a partial award)
- 6 Meeting the Satisfactory Academic Progress standards of the school you plan to attend
- 7 A student who has completed the FAFSA with a resulting Student Aid Index (SAI) at or below 7,500 (once complete, the financial aid office at the college/university you plan to attend will determine and confirm eligibility)

Printed Materials: Table Tent

- This table tent is sized to be printed on 8.5x11” paper and folded in half, with a one-inch flap on the top and bottom so it can stand up on a table. There are two versions of the table tent to choose from in the toolkit, one with a white background and one with a dark blue background. We recommend printing on card stock or another sturdy paper.
- Both versions include a place for you to insert your school or organization’s logo before printing. **After downloading, delete the “Replace shape with logo” box and insert the logo. Then, the table tents will be ready to print.**
- **Note:** Upon opening the Word document, the one-pager may look somewhat transparent. That is not an error, and the document will not appear that way once printed.
- **Note:** Please ensure that you rotate the upper left logo 180° so that it matches the content in that section. If the logo is not rotated, it will be upside-down and backwards when the table tent is folded.

Social Media

The social media resources in the following slides have been developed to provide optional content to elevate the *Next NC Scholarship*. Each social post incorporates the *Next NC Scholarship* tagline and is framed around the core insights that drove the campaign creation.

The social graphics are suitable to be shared on your **Instagram, Twitter, and Facebook** profiles and are intended to be paired with versions of the example posts included in the following slides. Spanish versions of graphics and sample captions are also included. Additionally, a 15-second English language video has been included for circulation on social media.

Feel free to add language that aligns to your brand's tone of voice or unique information that relates to this post. **However, please do not change the meaning of the language about the scholarship, alter the social graphics in any way, or alter the *Next NC Scholarship* tagline.** Please use the hashtag *#NextNCScholarship* when posting on social media.

Note: These graphics are included in the downloadable file on the *Next NC Scholarship* toolkit landing page. There is no need to screenshot the graphics included in this document.

Messaging Points

Use these message points as guide for when you're talking about the *Next NC Scholarship* to your communities, networks, or to students.

Overview

The *Next NC Scholarship* is a new financial aid program that helps most North Carolinians making \$80,000 or less pay for their tuition and fees to attend any community college or public university in the state. This is money that doesn't have to be repaid.

The scholarship combines the federal Pell Grant with the state-funded financial aid program into a simplified, predictable scholarship award for North Carolina students.

When a student reviews their financial aid letter, they should keep in mind that *Next NC* will appear as state funding, and the federal Pell Grant will be listed separately. Together, these two amounts create their *Next NC Scholarship* award.

The Details

Students attending community college will receive at least \$3,000 per year from the *Next NC Scholarship*. Qualifying North Carolinians can choose from any of the 58 community colleges across the state and have their tuition and fees 100% covered.

Those attending a public university in North Carolina will receive a minimum of \$5,000 per year. That pays for more than half, if not all, of tuition and fees at any of the 16 public universities in the state.

Students with the greatest need for financial aid could qualify for even more funding through the scholarship.

How to Apply + the FAFSA

To apply for the *Next NC Scholarship*, a student just needs to submit the FAFSA form. If they're eligible, they'll receive the scholarship. There are no additional forms to fill out for this scholarship.

Colleges use information from the FAFSA to determine if a student qualifies for college-based scholarships or grants, and some financial aid is offered on a first-come, first-serve basis, so students should complete the FAFSA as soon as possible.

Students should submit the FAFSA by the *Next NC Scholarship* priority date, June 1 for UNC System universities and August 15 for NC community colleges. They should double-check with their potential colleges and universities, though, as each may have its own earlier filing date.

Eligibility Details:

To receive the *Next NC Scholarship*, a student must be:

- A North Carolina resident who is eligible for in-state tuition
- A high school graduate (high school equivalency completers are eligible)
- From a household with an annual Adjusted Gross Income (AGI) of \$80,000 or less
- Enrolled in an eligible undergraduate curriculum program
- Taking at least 6 credit hours per semester (part-time students will receive a partial award)
- Meeting the Satisfactory Academic Progress standards of the college or university you plan to attend
- A student who has completed the FAFSA with a resulting Student Aid Index (SAI) at or below 7,500 (once complete, the financial aid office at the college/university you plan to attend will determine and confirm eligibility)

Website Language

We recommend including this language (included on pages 22–25) on your school’s financial aid page, in the “scholarships” and/or “grants” section for undergraduate students. Be sure to choose the version that best fits your school or organization and personalize where indicated.

For Fayetteville State University, UNC Pembroke, Western Carolina University, Elizabeth City State University

The [Next NC Scholarship](#) is a financial aid program that helps most North Carolinians from households making \$80,000 or less pursue higher education by **fully covering tuition and fees at [INSERT PUBLIC UNIVERSITY NAME]**. The best part? It's money that doesn't have to be repaid.

As a student of [INSERT PUBLIC UNIVERSITY] you will receive a **minimum of \$5,000 per year**. The scholarship award can be used for things beyond tuition, including things like fees, books, food, and housing.

Students with the greatest need for financial aid could qualify for additional funding to help make paying for college more manageable.
